SHARON FIELD FENCE

A Sharon field fence is used as a boundary fence and is available in different heights. The horizontal and vertical line wires of the fence are spaced 150mm or 300mm apart.

Sizes available:

Space between horizontal and vertical stay wires	150 mm	300 mm	Size of the diamond in the fence (mm)
Height (m)	0.9	0.9	6
	0.99	0.99	9
	1.13	1.13	7
	1.15	1.15	8
	1.19	1.19	10
	1.88	1.88	13
	2.11	2.11	14

Please contact our Structural Steel Division for sizes not listed above.
